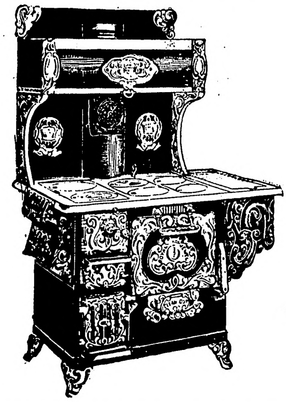
THE ROYAL JEWEL
STEEL RANGE

THE LATEST AND BEST



Every improvement that long experience has suggested, or ingenuity discovered, every labor-saving device and every fuel-saving device is embodied in this Range.

BODY OF RANGE is made of the very best quality, heavy, cold-rolled, blued sheet steel, lined with Asbestos.

OVEN is large and well ventilated, and being made of sheet steel, will never warp nor crack.

FIRE BOX—best proportioned and most economical ever constructed. Improved Duplex Grate.

BURNS EITHER COAL OR WOOD.

THE FRONT KEY PLATE over fire is hinged and can be raised and lowered so that toasting and broiling can be readily done.

PREFACE

IN presenting the **Thirty-Seventh Annual Edition of the City of Hamilton Directory,** I thank the business men and patrons of the Directory generally for the very liberal and enthusiastic support they have given me and for the substantial increase in advertising. As my last edition proved very satisfactory, I am quite confident that the present volume will be still more so, it containing more information, and no expense, time, or labor being spared to make it most accurate.

In the Miscellaneous Directory will be found the names of the new officers of the various societies, etc., and the City Council and School Trustees for 1910. In due time my canvassers will call on you for the renewal of your patronage.

Wishing my subscribers a prosperous year, I remain,

Respectfully yours,

HENRY VERNON,

JANUARY, 1910. **127 Jackson Street West**

Clark's Business College

46-52 JAMES ST. NORTH, HAMLTON. PHONE 1975

THIS ENTERPRISING and progressive School is located in the heart of the city. Its equipment is not excelled by any School in Canada.

The Faculty consists of teachers who have had wide and practical experience in the commercial world. This School does not hire recent graduates.

No other Business College in Canada offers so many different courses as Clark's. The following courses are offered: Bookkeeping, Double and Single Entry and Special Column Journal, Stenography, Typewriting, Rapid Calculation, Correspondence, Languages, Mechanical Drawing and Civil Service Subjects.

We make a specialty in giving personal attention to backward students. Positions are secured for all worthy graduates.
